

Creating Hope Missions is committed to partnering with churches and leaders of different denominational backgrounds. However, there are some crucial points of doctrine which must be adhered to by every person who partners with us.

God

There is one and only one living and true God. ...The eternal triune God reveals Himself to us as Father, Son and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

Jesus

We believe in the deity of Jesus Christ, His virgin birth, sinless life, miracles, death on the cross to provide for our redemption, bodily resurrection and ascension into heaven, present ministry of intercession for us, and His return to earth in power and glory.

Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. ...He exalts Christ. He convicts men of sin, of righteousness and of judgment. ...He enlightens and empowers the believer and the church in worship, evangelism, and service.

Bible

The Holy Bible was written by men divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

Man

Man is the special creation of God, in His own image. He created them male and female as the crowning work of His creation. ...By his free choice man sinned against God and brought sin into the human race. ... The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every person of every race possesses dignity and is worthy of respect and Christian love.

Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. No other acts, such as confession, baptism, prayer, faithful service, or manifestation of certain spiritual gifts, are to be added to believing as a condition of salvation.
